## Your sponsorship changes lives.

JFS is where our community turns to in times of need. We provide essential services to help all people overcome life's challenges and to build a sense of meaning. Much of what we take for granted: food, shelter, warmth and security are not commonplace for many of the people who seek help from JFS. Over 64% of people who turn to us are impoverished.

### But we can't do it alone.

We need your help. For over seventy years, this community has helped JFS meet our mission to help repair the world with loving kindness through just and charitable deeds. Please help us carry on this tradition, one mitzvah at a time.

*Sponsorship opportunities, including presenting sponsor, are available.*
