Our Mission

To provide a full spectrum of services that promotes quality of life within the philosophy and tradition of Judaism.

Celebrating 75 Years!!

Dear JFS Family and Friends—

Thank you all so much for your support as we continue to carry on the tradition of Chesed in the Tidewater Jewish Community! We are so fortunate to follow in the footsteps of so many inspiring leaders who have guided JFS for the past 75 years.

Together, we are looking forward to helping to carry on this tradition. Below are just a few examples of JFS' dedication to the community over the past 75 years:

- In the 1950's, JFS played a key role in the resettlement of Holocaust Survivors and other refugees from World War II.
- In the 1960's, JFS began to offer programs in adoption and foster care.
- In the 1970's, the agency adopted a "friendly visitors" program and the home assistance program for people with chronic illness.
- In the 1980's, the counseling programs expanded, and the home delivered meals program was developed. Services were offered throughout Virginia Beach and expanded into the Peninsula.
- In the 1990's, the services offered at JFS expanded through the development of three new programs:
 - Soviet Jewish Resettlement Program was established in response to Operation Exodus, helping over 270 people from the former Soviet Union resettle in Tidewater, some of whom were Holocaust Survivors. JFS continues to work with 13 of these original New Americans.
 - The Personal Affairs Management Program (PAM) was created, and now serves thousands of people each year throughout the Commonwealth.
 - JFS partnered with EDMARC for the development of Peace by Piece, a children's bereavement program. This year marks the 25th anniversary of this partnership.

These are just a few of the highlights over the years, as there is no way to list all the marvelous things that JFS has been able to accomplish!

Most importantly, we recognize that we could not be where we are today without the dedication, leadership and strength of those who came before us. Many thanks to our Board of Directors (past and present!!) and to our partners at UJFT and TJF.

Finally, we want to thank our amazing professional staff and volunteers who continue to go beyond the call of duty for our clients. It is by their dedication and tireless efforts that JFS continues to be recognized as leaders in the Human Services field.

As a community, Jewish Tidewater has been overwhelmingly supportive to JFS over the past 75 years, and we look forward to our future together!
